Beverage Concessions

(Pay-As-You-Go Bars)

A Cash Bar service or Pay-as-you-go Bar is a bar option where the event attendees have the ability to purchase their beverages directly from the bar. This option may or may not require a permit from the local jurisdiction but we will help you out with that.

A minimum sales guarantee is required for this service unless alternative arrangements are made. The guarantee amount may vary based on the bar setup, the number of guests to be served and the package selected. If the minimum sales guarantee is not met the host will be responsible for paying the difference. Host's card should be filed before the event. For the most accurate quote give us a call today.

Seamless & Secure Payments with Clover

For your convenience, we use the Clover POS system to ensure fast, secure, and hassle-free transactions at every event. Whether you're paying by card or mobile wallet, our system makes the process smooth and efficient — so you can focus on enjoying the moment.
